

All the staff members and RAWE Students of Krishi Vigyan Kendra, Uttarkashi installed and registered the **Arogya Setu** app developed by Govt. of India.

Different farmers advised and assisted by KVK, Uttarkashi to download and use Aarogya Setu App.

The web link of Arogya Setu app developed by Govt. of India, was forwarded to more than 800 farmers through Whatsapp groups and motivated them to install the app on their phones. After sending the messages the personal calls were made to the respective farmers and persuaded them to install the app. The farmers were also motivated to install the app in the mobiles of their fellow farmers so that we could make us self aware about the spread of COVID-19. More than 150 farmers downloaded and installed the app.
